LEARNING STYLE RESULTS:

☐ auditory learner

☐ visual learner

☐ Kinaesthetic learner

Auditory learners like sound to help them learn. e.g. discussion, using cassettes in class, songs and working on pronunciation.

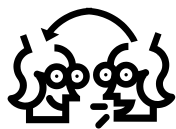

Visual learners learn best from images, text and looking: e.g. board work, videos, taking notes, posters in classroom.

Kinaesthetic learners like a hands-on style of learning. e.g. cutting and pasting, matching cards, games and role-plays.

English for Driving Theory

a course to help you with the language of the driving theory test

This workbook and interactive materials were developed for ESOL and literacy students and mapped to Entry 2 of both Curricula, though most of the worksheets were used successfully with higher levels and simplified for Entry 1 students. The target audience were those planning on taking their Driving Theory Test whilst wanting to improve their English.
